

- Contains no mercury or harmful substances
- Available in Warm White and Day Light
- Certified by CE for the European market, other certificates available on request
- 35,000+ hour lifetime
- Best value for money T10 LED bulb (with additional brightness over T8 LED tubes)
- Up to 50% savings in electricity over fluorescent T8s
- Aluminium heat sink backed casing delays light decay experienced by DIP LED T10 tubes
- Instant on, flicker free and noiseless
- Ideal replacement for traditional T8 lights where fixtures allow for larger diameter T10 size
